QUALIFICATIONS AND ELIGIBILITY

PerryGreen is an MBE / DBE certified General Contractor specializing in commercial and industrial construction with union labor.

EXPERTISE & PORTFOLIO

Renowned for exceptional work in commercial construction, PerryGreen has successfully undertaken diverse projects such as hospitals, schools, government buildings, shopping centers, offices, and retail spaces. Our adept team manages the entire construction process, from design to handover, ensuring that every project meets our signature quality standards.

OUR APPROACH

We are not just about business transactions; we lead with integrity. Our approach is holistic – emphasizing safety, security, and risk reduction while fostering strong relationships. Recognizing the profound impact our projects have on the community, we are committed to delivering value to all stakeholders, from employees and peers to the end-users of our structures.

WHAT SETS US APART

PerryGreen is adept at handling multifaceted projects involving various stakeholders. Established in 2006, our commitment has always been to source and nurture local talent, believing that those from the community bring a unique perspective to projects. Our partners and team excel in navigating technical, legislative, and safety challenges inherent in both public and private ventures. With PerryGreen, you're not just getting a contractor; you're gaining a partner vested in your success.

OUR PHILOSOPHY

Client satisfaction sits at the heart of our operations. This extends beyond the quality of our work to encompass the entire project experience. Each project is tailored to meet the unique demands and expectations of our clients. Our teams align closely with our clients, ensuring we act as an extension of their own organizations. Known for our quality, timeliness, flexibility, and competitive edge, PerryGreen stands as a Best Value contractor.
